OGAWA COMFORT MASSAGE CHAIR

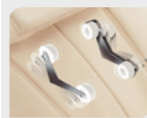

Vibration Mode

- Vibration function on the seat helps relieve stretch marks on the buttocks, stimulates stomach to ease constipation and improves blood circulation.

Double-Layered Air Bag Massager

- Enhance your massage experience with the double-layered air bags massager function. A total 9 air bags with 8 on the calves and feet and 1 on the seat relieve tiredness from your lower body and legs.

Multi-Width Massage Rollers

- Multi-width rollers enable you to adjust the position of the rollers accordingly. Coupled with the latest technology, the tapping and kneading functions help improve blood circulation and alleviates tiredness through a massage experience simulated by the human touch.

User-Friendly Remote Control

- Ergonomic and user-friendly remote control design suited for all ages.
